

Dear CSI Affiliate,

Thank you for your support as a CSI affiliate. Our current CSI affiliates support the CSI Affiliates Program directly via an annual unrestricted gift or by sponsoring CSI Faculty research. As an affiliate your company is entitled to:

1. Three complimentary registrations,
2. Space for a technical poster or corporate promotional materials at our review.

We would also like to request that your company designate a representative to participate in our CSI Affiliates Board Meeting at 4:30 following the technical program.

Please email the contact information for the representative to Mayumi Thrasher, mayumi@usc.edu.

Sincerely,

Keith Chugg & Urbashi Mitra
